

New Rehab Clients Please Fill out the Paperwork on the Clip Board. This is important to understanding you and your pets needs.

Lunch is from 1-2pm. I may be away from my desk please just wait here in the lobby and I will get you checked in.

Please make sure if your pet has been to vet recently we know so we can request those records.

I may be in the therapy room if I am not at my desk. Please be patient and I will be with you shortly or if it is **emergency please walk around to main entrance, at the front of the building. Or call 704-786-0104.**

If you have my number you can text me and I will get it in the therapy room. Just to let me know you are here. Thank you, Kayla
